- 11.4 Where Goods supplied to the Customer are or become faulty during the Manufacturer's Warranty period and for a reason covered by the Manufacturer's Warranty (which excludes the Customer's acts, omissions or misuse):
- The Customer should report the fault to the Onecom Support Team on 03300 888999 or by email to the relevant address at <https://onecom.co.uk/contact/>.
 - The Customer must re-package the faulty Goods and ensure that such Goods and all original accessories are returned to Onecom at the Customer's cost and risk by such post or courier service as shall ensure proof of delivery and sufficient insurance to cover the value of the Goods to Onecom Limited, Onecom House 4400 Parkway, Whiteley, Fareham, Hampshire, PO15 7FJ (or as otherwise directed by Onecom).
 - Onecom shall inspect the returned Goods and may return them to the manufacturer.
 - Onecom may, at its sole discretion and subject to inspection of the faulty Goods, elect to either:
 - provide replacement Goods (subject to clause 11.5); or
 - refund such sum as Onecom reasonably considers to be the current market value of the faulty Goods.
- 11.5 The Customer acknowledges that, where it is determined (either by Onecom acting reasonably, or by the manufacturer) that the fault is not covered by the Manufacturer's Warranty the Customer remains liable for any sums outstanding in respect of such Goods and:
- where the faulty Goods can be repaired:
 - the Customer shall return to Onecom any replacement Goods supplied pursuant to clause 11.4.4(a) (at the Customer's cost and risk) or pay Onecom the full cost of such replacement Goods; and
 - at the Customer's option, Onecom shall either (i) repair the faulty Goods and the Customer shall pay the costs of repair or (ii) return the faulty Goods to the Customer at the Customer's cost and risk;
 - where the faulty Goods cannot be repaired, the Customer shall pay Onecom the full cost of any replacement Goods supplied pursuant to clause 11.4.4(a).
- 11.6 The Customer acknowledges and accepts that it is solely responsible for ensuring the backup of any important or confidential data stored on the Goods prior to their return to Onecom and the Customer agrees that Onecom will not be liable if any such data is lost or corrupted during any process set out in clauses 11.4 and 11.5.
- 11.7 Notwithstanding the foregoing provisions of this clause 11, no liability will be accepted under any Goods warranty or guarantee where any Customer invoice is overdue.
- 12 Goods – risk and title**
- 12.1 The risk in the Goods shall pass to the Customer on completion of delivery.
- 12.2 Notwithstanding delivery and the passing of risk in the Goods, or any other provision of the Contract, legal and beneficial title to the Goods shall not pass to the Customer until:
- in respect of Goods for which Onecom has invoiced the Customer, Onecom has received payment in full (in cash or cleared funds) for those Goods; or
 - in respect of Goods which Onecom has discounted (in full or in part), Onecom has received payment in full (in cash or cleared funds) of all sums due from the Customer for the Minimum Term.
- 12.3 Until title to the Goods has passed to the Customer, the Customer shall:
- keep accurate records of the location or keeper of the Goods;
 - maintain the Goods in satisfactory condition and in accordance with the relevant manufacturer's warranty, guarantee and user guide;
 - keep them insured against all risks for their full replacement value from the date of delivery;
 - notify Onecom immediately if it becomes subject to any of the events listed in clauses 14.5.2(b) to 14.5.2(k); and
 - give Onecom such information relating to the Goods as Onecom may require from time to time.
- 12.4 If, before title to the Goods passes to the Customer, the Customer becomes subject to any of the events listed in clauses 14.5.2(b) to 14.5.2(k), or Onecom reasonably believes that any such event is about to happen and notifies the Customer accordingly, then, without limiting any other right or remedy Onecom may have, Onecom may at any time:
- require the Customer at the Customer's own cost and expense to deliver up the Goods in its possession; or
 - without further notice enter any premises of the Customer or of any third party where the Goods may be kept or stored in order to recover them.
- 12.5 The Customer shall at all times ensure that any and all parties that seek to assert any right or claim against the Customer are made fully aware that the Goods are subject to reservation of title by Onecom and that the Goods are not the property of the Customer.

- 12.6 If, for whatever reason, any party seeks to assert any right or claim against the Customer or the Goods, the Customer shall at its own cost and expense defend any such right or claim such as to preserve the reservation of title of the Goods and/or at Onecom's request join any proceedings brought by Onecom in relation to the Goods.
- 13 Liability**
- 13.1 Onecom will not be liable if it fails to do something under the Contract (including not carrying out any of its obligations, carrying them out late or not meeting any service levels), whether or not there is a Force Majeure Event (in which case, clause 21.1 applies), to the extent that Onecom's failure is due to:
- 13.1.1 the Customer's failure to carry out, or delay in carrying out, any of its obligations under the Contract, in which case the Customer will pay Onecom for any costs and losses sustained or incurred as a result of such failure or delay;
- 13.1.2 anyone other than Onecom or Onecom's subcontractors or suppliers doing something, or not doing something, they need to do; or
- 13.1.3 any restriction or prevention by Applicable Law, a court order, an application for interlocutory relief or injunction.
- 13.2 Subject to clause 13.5:
- 13.2.1 neither party shall be liable under any circumstances to the other, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, arising under or in connection with the Contract for:
- (a) any loss of profits, sales, business, or revenue;
- (b) loss or corruption of data, information or software;
- (c) loss of business opportunity;
- (d) loss of anticipated savings;
- (e) loss of or damage to goodwill; or
- (f) any indirect or consequential loss; and
- 13.2.2 each party's total liability to the other arising in connection with the Contract, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall in no circumstances exceed the greater of:
- (a) the amount paid by the Customer to Onecom under the Contract in the 12 months prior to the date the loss arose; and
- (b) £100,000.
- 13.3 The Customer's obligations to make payments to Onecom pursuant to the Contract are in addition to and will not be counted towards the limitations set out in clause 13.2.2.
- 13.4 Any warranties, conditions or other terms implied by common law or statute are, to the fullest extent permitted by law, excluded from the Contract.
- 13.5 Nothing in these Conditions excludes or limits the liability of a party for:
- 13.5.1 death or personal injury caused by its negligence, or the negligence of its employees, agents or subcontractors;
- 13.5.2 fraud or fraudulent misrepresentation; or
- 13.5.3 any other matter for which it would be unenforceable or invalid to seek to limit or exclude liability.
- 13.6 This clause 13 shall survive termination of the Contract.
- 14 Term and termination**
- 14.1 The Contract shall commence on the Effective Date and shall continue until:
- 14.1.1 it is terminated in accordance with its terms; or
- 14.1.2 Onecom is no longer providing any Services to the Customer and there are no outstanding Orders.
- 14.2 The Customer can cancel an Order by giving Onecom Notice, provided such Notice is received (or deemed received) by Onecom before the Go-Live Date.
- 14.3 If the Customer cancels an Order in accordance with clause 14.2:
- 14.3.1 if the cancellation has any impact on volume commitments or otherwise affects the agreed Charges, Onecom may amend the Charges to reflect this; and
- 14.3.2 the Customer will pay Onecom the Cancellation Charges in accordance with clause 6.7.
- 14.4 Either party can terminate the Contract at any time by giving:
- 14.4.1 at least 90 days' Notice in respect of any Service based on ethernet, DIA, EFM or EFTTC; and
- 14.4.2 at least 30 days' Notice for any other Service.
- 14.5 Without limiting its other rights or remedies:
- 14.5.1 Onecom may terminate the Contract in whole or part with immediate effect by giving Notice to the Customer where the Customer fails to pay any amount due under the Contract (and which has not been disputed in accordance with clause 6.15.2) on the due date for payment and remains in default no less than 30 days after being notified in writing to make such payment;
- 14.5.2 a party may terminate the Contract in whole or in part with immediate effect by giving Notice to the other party if:
- (a) the other party commits a material breach of its obligations under the Contract and (if such breach is remediable) fails to remedy that breach within 30 days after being notified in writing to do so;
- (b) the other party suspends, or threatens to suspend, payment of its debts or is unable to pay its debts as they fall due or admits inability to pay its debts or (being a company or limited liability partnership) is deemed unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or (being an individual) is deemed either unable to pay its debts or as having no reasonable prospect of so doing, in either case, within the meaning of section 268 of the Insolvency Act 1986 or (being a partnership) has any partner to whom any of the foregoing apply;
- (c) the other party commences negotiations with all or any class of its creditors with a view to rescheduling any of its debts, or makes a proposal for or enters into any compromise or arrangement with its creditors other than (where a company) for the sole purpose of a scheme for a solvent amalgamation of that other party with one or more other companies or the solvent reconstruction of that other party;
- (d) a petition is filed, a notice is given, a resolution is passed, or an order is made, for or in connection with the winding up of the other party (being a company) other than for the sole purpose of a scheme for a solvent amalgamation of the other party with one or more other companies or the solvent reconstruction of that other party;
- (e) the other party (being an individual) is the subject of a bankruptcy petition or order;
- (f) a creditor or encumbrancer of the other party attaches or takes possession of, or a distress, execution, sequestration or other such process is levied or enforced on or sued against, the whole or any part of its assets and such attachment or process is not discharged within 14 days;
- (g) an application is made to court, or an order is made, for the appointment of an administrator or if a notice of intention to appoint an administrator is given or if an administrator is appointed over the other party (being a company);
- (h) the holder of a qualifying charge over the assets of the other party (being a company) has become entitled to appoint or has appointed an administrative receiver;
- (i) a floating charge holder over the assets of the other party has become entitled to appoint or has appointed an administrative receiver;
- (j) a person becomes entitled to appoint a receiver over the assets of the other party or a receiver is appointed over the assets of the other party;
- (k) any event occurs, or proceeding is taken, with respect to the other party in any jurisdiction to which it is subject that has an effect equivalent or similar to any of the events mentioned in clauses (b) to (j) (inclusive);
- (l) the other party suspends, threatens to suspend, ceases or threatens to cease to carry on, all or substantially the whole of its business; or
- (m) the other party's financial position deteriorates to such an extent that in Onecom's opinion the Customer's capability to adequately fulfil its obligations under the Contract has been placed in jeopardy.
- 14.6 Where more than one Service is provided under the Contract and the Contract is not terminated in whole, the Contract shall only terminate in respect of the terminated Service, and shall continue in respect of any continuing Service.
- 15 Consequences of termination**
- 15.1 If the Customer terminates the Contract, the Service or any Order using its rights set out in clause 14.4, the Customer will pay Onecom:
- 15.1.1 the Termination Charges; and
- 15.1.2 all Charges for Services that are or would have been performed during the Notice period set out in clause 14.4.
- 15.2 If Onecom terminates the Contract, the Service or any Order using its rights set out in clause 14.5, the Customer will pay Onecom the Termination Charges.
- 15.3 If the Contract, any Service or any Order is cancelled, terminated or expires, for any reason:
- 15.3.1 the Customer will immediately pay Onecom any money and interest that is due up to the date of termination;
- 15.3.2 where any Goods are to be returned to Onecom, the Customer shall upon request promptly (and in any case within 14 days of Onecom's written request) pay to Onecom a handling fee in respect of each unit of Goods;
- 15.3.3 the accrued rights and remedies of the parties as at termination shall not be affected, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry; and
- 15.3.4 the following clauses shall continue in force: clause 2 (Interpretation), clause 13 (Liability), clause 15 (Consequences of termination), clause 18 (Intellectual property), clause 19 (Data protection), clause 21.3 (Confidentiality), clause 21.4 (Entire agreement), clause 21.5 (Waiver), and clause 21.10 (Governing law and jurisdiction).
- 16 Changes to the Contract**
- 16.1 The provisions in this clause 16 are without prejudice to the respective rights of the parties as set out elsewhere in the Contract.
- 16.2 Onecom may amend the Charges in April of each year, by introducing an increase to all or any Charges by a percentage up to or equal to the Office for National Statistics' (or such other body to which the functions of that office may be transferred) UK Consumer Prices Index (CPI) rate for December of the previous year (published in January) plus 3.9%. If the CPI rate is negative, Charges will be increased by 3.9%. If the CPI is not published for the given month, Onecom may use a substituted index published by that office for that month. As an example:

Based on a) an increase of 7.9% being the CPI rate for December 2023 of 4.0% plus 3.9%, and b) Charges of £50 per month, the Customer's Charges would increase to (£50.00 x 1.079) £53.95 from its first April invoice. Following price increases would be calculated on the relevant CPI rate, but assuming the same rate, the Customer's Charges would increase to (£53.95 x 1.079) £58.21 from its second April invoice.

16.3 This clause 16.3 applies to Large Business Customers only. Without prejudice to clause 16.2, Onecom may amend the Contract (including the Charges) at any time by either:

16.3.1 publishing the amendment online at <https://onecom.co.uk/pricing> and/or <https://onecom.co.uk/terms-and-conditions/> (or any other online address that Onecom advises the Customer of); or

16.3.2 by giving Notice to the Customer.

16.4 This clause 16.4 applies to Small Business Customers and Not-for-profit Customers only. Without prejudice to clause 16.2, Onecom may amend the Contract (including the Charges) at any time in the event such changes are required by Applicable Law or are administrative in nature by:

16.4.1 publishing the amendment online at <https://onecom.co.uk/pricing> and/or <https://onecom.co.uk/terms-and-conditions/> (or any other online address that Onecom advises the Customer of); or

16.4.2 giving Notice to the Customer.

16.5 No other variation of the Contract shall be effective unless it is in writing and signed by the parties (or their authorised representatives).

17 Complaints

If the Customer wishes to make a complaint about the Service, the Customer must follow the Onecom Complaints Procedure at <https://onecom.co.uk/complaints-procedure-2/> (or any other online address that Onecom advises the Customer of).

18 Intellectual property

18.1 Intellectual Property Rights in or arising out of the Service will be owned by Onecom save to the extent that any of them contain Intellectual Property Rights owned by third parties.

18.2 If Onecom provides Software so the Customer can use the Service, Onecom gives the Customer a non-transferable, non-exclusive licence to use the Software only for the purposes and in the manner set out in the Contract, and for the period during which Onecom provides the relevant Service. The Customer will comply with any third party terms that apply to the use of the Software.

18.3 The Customer will not and will ensure that its Users do not, copy, decompile, modify or reverse engineer any Software, or allow any third party to do so, except with Onecom's prior written consent.

18.4 If the Customer's use of the Service infringes, or allegedly infringes, a third party's Intellectual Property Rights, Onecom will indemnify the Customer for Claims, losses, costs or liabilities brought against it provided the Customer:

18.4.1 notifies Onecom promptly about the Claim;

18.4.2 allows Onecom to conduct all negotiations and proceedings and to settle the Claim;

18.4.3 provides Onecom with its reasonable assistance regarding the Claim; and

18.4.4 does not attempt to settle the Claim or make any admission or public statement relating to it, or do anything that may harm Onecom's defence of it.

18.5 The indemnity in clause 18.4 will not apply to any part of a Claim that results from or is connected with:

18.5.1 the Customer's use of the Service with equipment, software or another service not supplied by Onecom;

18.5.2 any modification of the Service, other than by or on behalf of Onecom;

18.5.3 any content, designs or specifications that have not been supplied by or on behalf of Onecom; or

18.5.4 the Customer using the Service in a way not agreed in writing by Onecom.

18.6 The Customer will indemnify Onecom for Claims, losses, costs or liabilities brought against Onecom that result from or are connected with:

18.6.1 the Customer's use of the Service with equipment, software or another service not supplied by Onecom;

18.6.2 any modification of the Service, other than by or on behalf of Onecom;

18.6.3 any content, designs or specifications that have not been supplied by or on behalf of Onecom; or

18.6.4 the Customer using the Service in a way not permitted by this Contract.

18.7 If using the Service leads, or is likely (in Onecom's reasonable opinion) to lead, to a Claim against the Customer as described in clause 18.4, Onecom may (at its own expense):

18.7.1 procure the right to continue the Customer's use of the Service; or

18.7.2 modify or replace the relevant parts of the Service so that using the Service no longer infringes third party Intellectual Property Rights, provided performance of the relevant parts of the Service is not materially affected.

18.8 The indemnity in clause 18.4 and the actions in clause 18.7 are the Customer's only remedies for Claims that use of the Service infringes a third party's Intellectual Property Rights.

19 Data protection

19.1 Both parties will comply with all applicable requirements of the Data Protection Legislation. This clause 19 is in addition to, and does not relieve, remove or replace, a party's obligations under the Data Protection Legislation.

19.2 The parties acknowledge that for the purposes of the Data Protection Legislation, Onecom is the Controller in limited circumstances, including:

19.2.1 processing traffic data for the purposes of calculating Charges and understanding communication flow through the Network; and

19.2.2 administering and managing our relationship in regard to the Services and the Contract,

in which case, Onecom shall carry out processing in accordance with its Privacy Policy.

19.3 Subject to clause 19.2, the parties acknowledge that for the purposes of the Data Protection Legislation, the Customer is the Controller and Onecom is the Processor when providing the Customer with Goods and/or Services pursuant to the Contract.

19.5 Without prejudice to the generality of clause 19.1, the Customer will ensure that it has all necessary appropriate consents and notices in place to enable lawful transfer and processing of any Personal Data to and by Onecom for the duration and purposes of the Contract, and will transfer to Onecom only the Personal Data that Onecom requires in order to perform its obligations under the Contract.

19.6 Without prejudice to the generality of clause 19.1, Onecom shall, in relation to any Personal Data processed by Onecom as Processor in connection with the Contract:

19.6.1 process the Personal Data only in accordance with the Contract or on the documented instructions of the Customer unless Onecom is required by Applicable Law to otherwise process that Personal Data. Where Onecom is relying on Applicable Law as the basis for processing Personal Data, Onecom shall notify the Customer of this before performing the processing required by the Applicable Law unless that Applicable Law prohibits Onecom from so notifying the Customer. Onecom shall inform the Customer if, in the opinion of Onecom, any of its instructions infringes or may infringe Data Protection Legislation;

19.6.2 ensure that it has in place appropriate technical and organisational measures to protect against unauthorised or unlawful processing of Personal Data and against accidental loss or destruction of, or damage to, Personal Data, appropriate to the harm that might result from the unauthorised or unlawful processing or accidental loss, destruction or damage and the nature of the data to be protected, having regard to the state of technological development and the cost of implementing any measures (those measures may include, where appropriate, pseudonymising and encrypting Personal Data, ensuring confidentiality, integrity, availability and resilience of its systems and services, ensuring that availability of and access to Personal Data can be restored in a timely manner after an incident, and regularly assessing and evaluating the effectiveness of the technical and organisational measures adopted by it);

19.6.3 ensure that all personnel who have access to and/or process Personal Data are obliged to keep the Personal Data confidential;

19.6.4 assist the Customer, insofar as this is possible (taking into account the nature of processing and the information available to Onecom), at the Customer's cost and written request, in responding to any request from a Data Subject and in ensuring compliance with the Customer's obligations under the Data Protection Legislation with respect to security, breach notifications, impact assessments and consultations with supervisory authorities or regulators;

19.6.5 notify the Customer without undue delay on becoming aware of a Personal Data Breach;

19.6.6 at the written direction of the Customer, delete or return Personal Data and copies thereof to the Customer on termination of the Contract unless required by Applicable Law to store the Personal Data. For the purposes of this clause 19.6.6, Personal Data shall be considered deleted where it is put beyond further use by Onecom; and

19.6.7 maintain records to demonstrate its compliance with this clause 19 and allow for the Customer or the Customer's designated auditors to review, audit and inspect such records for the purposes of verifying such compliance.

19.7 The Customer hereby provides its prior, general authorisation for Onecom to:

<p>19.7.1 appoint third-party processors of Personal Data (Sub-Processors). Onecom shall inform the Customer of any intended changes concerning the addition or replacement of the Sub-Processors. If the Customer objects it shall give written notice to Onecom within 10 days of notice of any such additional or replacement Sub-Processor, which includes a description of the objection including if the objection is due to an actual or likely breach of Data Protection Legislation. On Onecom's receipt of the objection, the parties shall attempt in good faith to resolve the objection. If the parties are unable to resolve the objection within 30 days from the Customer's objection then Onecom may either: (i) continue the Contract without appointing the new or replacement Sub-processor; or (ii) terminate the Contract, without liability to the Customer. Onecom confirms that it has entered or (as the case may be) will enter with each Sub-Processor into a written agreement incorporating terms which are substantially similar to those set out in this clause 19.
